

BEAUTIFUL BEGINNINGS CHILDCARE CENTER

Lalita, a certified childcare instructor, first came to WORC more than 12 years ago in pursuit of her dream to operate her own childcare center. She received entrepreneurial training to gain the knowledge and skills necessary to manage her business.

She opened her doors in 2004 and with the help of multiple loans from WORC over the years, her business has grown to employ 14 staff serving over 50 children. In November 2016, she received another loan of \$10,000 to complete renovations on a space to open a second location.

"Without the guidance and access to capital I received at WORC, Beautiful Beginnings wouldn't be an essential part of its neighborhood."
